

Meadowthorpe Neighborhood Association
General Meeting
Minutes
April 14th at 7:00 PM
333 Larch Lane

Meeting called to order at 7:03 PM.

Guest speaker from Downtown Lexington Corporation, Renee Jackson.

April agenda is approved by members. March minutes are approved by members.

Committee Reports:

MDRC does not support a blank support letter for Anderson Communities.

Communications Committee still needs a newsletter editor.

David McCall reports that Bob Nunnly has been given a Transportation Change Order to design a sound barrier.

Natural Resources Committee reports that William Andrews, a Kentucky Geologist and neighbor is willing to donate his time to learn more about water saturation in the Meadowthorpe Neighborhood area. As it rains, William asks that neighbors report saturation levels and how the rain affects each property. Members suggest that the committee recruit volunteers to conduct a survey in the neighborhood.

Meeting adjourned at 8:15 PM.
